**HART INDUSTRIES ANNOUNCES RESULTS OF 2018 SQF
FOOD SAFETY & QUALITY CERTIFICATION AUDITS
“100% and Excellent”**

Owings Mills, Maryland- Hart Industries, a leading supplier of specialty flexible packaging, successfully completed its annual SQF Food Safety & Quality certification audits in November 2018. Having achieved an Audit Score of 100 and Audit Rating of Excellent for both Food Safety & Quality, Hart maintains the highest level of certifications under the rigorous codes of the Safe Quality Food Institute. These certifications are recognized by the Food Safety Modernization Act (FSMA) and Global Food Safety Initiative (GFSI); reflecting heightened consumer concern for greater food safety.

Timothy Hart, President of Hart Industries, commented on the achievement stating, “We are tremendously proud of our Safe Quality Food Institute (SQFI) Certifications for both Food Safety and Quality. Having this certification frequently sets us apart from our competition. Customers expect this level of commitment to food safety, quality and transparency. It is an important part of Hart Industries’ identity.”

T.J. Hart, Quality Compliance and Regulatory Officer, led the annual certification audit on behalf of Hart Industries. “Many of our customers, new and old alike, celebrate our success with us and want us to be a part of their team. These fundamental processes ensure that we are protecting their brands; as every print and coating run has to meet the enhanced quality standards.”
